October 20, 1999

**REVISED**  
N.L. 12-0999  
Index: Benefits

**TO:** California Children's Services (CCS) Program County Administrators and  
Medical Directors, Children's Medical Services (CMS) Branch Central Office and  
Regional Office Staff

**SUBJECT: REQUESTS FOR AUDIOLOGY SERVICES**

It is essential that the pool of audiology providers be maintained by assuring appropriate and timely authorizations and payments for their services provided to CCS-eligible children. Therefore, it is imperative that CCS programs adhere to the following guidelines.

All requests for audiology services and amplification devices for full-scope Medi-Cal beneficiaries with no Share of Cost that exceed the general Medi-Cal benefits **MUST** be referred to the CMS Branch as Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Supplemental Services (SS) requests. Examples of such requests **include** programmable hearing aids, digital hearing aids, FM systems, vibrotactile devices, and aural rehabilitation services.

Medi-Cal will **NOT** reimburse any claim for audiology services that exceeds the general scope of benefits established by Medi-Cal, even if the services have been authorized by the local CCS program. It will not reimburse for medically necessary, non-conventional hearing aids beyond the price limitations identified with Medi-Cal regulations. In order that providers are reimbursed appropriately and adequately, these requests for services must be submitted, reviewed, and approved as EPSDT SS.

**EPSDT SS requests are submitted to:**

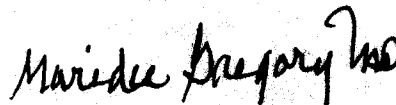

EPSDT SS Coordinator  
Children's Medical Services Branch  
714 P Street, Room 350  
P.O. Box 942732  
Sacramento, CA 94234-7320  
(916) 654-0499  
FAX (916) 654-0501

Requests must be submitted with:

1. EPSDT SS Worksheet (dated 3/98) – completed by the county program staff.
2. Medi-Cal EPSDT SS Request two-sided form (dated March 1997) completed by the provider.
3. Current audiology report, including audiograms (or for children under one year of age, a summary of the results of specific audiological testing procedures).

It is increasingly clear that the need for the services identified above is not reflected in the number of requests reviewed as EPSDT SS for audiology and amplification devices. This reminder, therefore, is necessary as the requests are only being submitted from a few county CCS programs.

If you have any questions about EPSDT SS please contact Galynn Plummer-Thomas, R.N., at (916) 653-3480. For questions regarding audiology services, please contact Jennifer Sherwood, M.A., CCS-A, at (415) 904-9678.
